# Access- sorize Your Shade

With endless possibilities in cord and chain weights

Style your shade to every detail with the cord and chain weights in this collection. With the endless options it has to offer you can create the perfect accessory for your shade. The collection includes an extensive range of varieties in five stylish materials, each bringing out its own specific style and atmosphere. Each variety is available in a round and a square shape, in three sizes. Caps to match come in eight different metal varieties. By making your own personal combination, you create a unique accessory that will give an individual look to your shade.

MATERIAL:

# Wood

A material of nature in several varieties to bring out the desired atmosphere up to every detail. When combined with a cap in old brass they perfectly suit a classical style; with a chrome cap they present the finishing touch for a modern and contemporary style.

MATERIAL:

# Leather

A definition of style. Sophisticated and elegant, to match many different styles. A black leather accessory with a satin nickel cap beautifully complements a black leather shade in a modern interior. Also in a classical style these leather accessories will really add something special

MATERIAL:

# Plexiglass

Plexiglass forms a quiet base for natural materials and objects.

Subtle green leaves, grass in several varieties and bamboo create an extraordinary accessory for chain or cord. The natural atmosphere of the accessories combined with a metal cap brings refinement that lasts.
